Overview

We are an innovative global medical technology company that develops, commercializes and delivers minimally invasive and non-invasive medical aesthetic and hair restoration technologies and related services. Our systems have been designed on cost-effective, proprietary and flexible platforms that enable us to expand beyond the aesthetic industry's traditional markets of dermatology and plastic surgery, and into non-traditional markets, including family medicine, general practitioners and aesthetic medical spas. Through the first quarter of 2025, as well as in 2024 and 2023, a substantial majority of our systems delivered in North America were in non-traditional markets. As we grow our ARTAS hair restoration business and expand robotics offerings through the AI.ME™ platform we expect our penetration into the core practices of dermatology and plastic surgery to increase.

We derive revenue from the sale of products and services. Product revenue includes revenue from the following:

- the sale, including traditional sales, Venus Prime and legacy subscription-based sales, of systems, inclusive of the main console and applicators/handpieces (referred to as system revenue);
- marketing supplies and kits;
- consumables and disposables;
- service revenue; and
- replacement applicators/handpieces.

Service revenue includes revenue derived from our extended warranty service contracts provided to our existing customers.

Systems are sold through traditional sales contracts, through our internal financing programs and through distributors. In the third quarter of 2022 we commenced an initiative to reduce our reliance on system sales sold under subscription agreements in the United States. This strategic shift is designed to improve cash generation and reduce our exposure to defaults and increased bad debt expense given the increasingly challenging economic environment caused by the coexistence of high inflation and high interest rates.

We generate revenue from traditional system sales and from sales under our internal lease programs, which are available to customers in North America and select international markets. Approximately 25% of our aesthetic system revenues were derived from our internal lease programs in the three months ended March 31, 2025 and March 31, 2024, respectively. Approximately 26% and 33% of our system revenues were derived from our internal financing programs in the year ended December 31, 2024 and 2023, respectively. We currently do not offer the ARTAS iX system under our internal lease programs.

In January 2024, we launched our new Venus Prime program which is a structured in-house financing program replacing our legacy subscription program for customers in North America. Under our Venus Prime program, select customers can qualify for competitive financing rates and continue to benefit from the payment flexibility afforded by our previous subscription financing program when purchasing our aesthetic medical devices, as well as a seamless technology upgrade program made available to our customers in years 2 and 3 of ownership.

Like our legacy subscription model, Venus Prime includes an up-front fee and a monthly payment schedule, typically over a period of 36 months, with approximately 40% to 45% of total contract payments collected in the first year. To ensure that each monthly payment is made on time and that the customer's system is serviced in accordance with the terms of the warranty, every product purchased under Venus Prime requires a monthly activation code, which we provide to the customer upon receipt of the monthly payment. These recurring monthly payments provide our

customers with enhanced financial transparency and predictability. This structure can provide greater flexibility than traditional equipment leases secured through financing companies. We work closely with our customers to provide business recommendations that improve the quality-of-service outcomes, build patient traffic and improve financial returns for the customer's business.

We have developed and received regulatory clearance for twelve novel aesthetic technology platforms, including our ARTAS and NeoGraft systems. We believe our ARTAS and NeoGraft systems are complementary and give us a hair restoration product offering that can serve a broad segment of the market. Our medical aesthetic technology platforms have received regulatory clearance for a variety of indications, including treatment of facial wrinkles in certain skin types, temporary reduction of appearance of cellulite, non-invasive fat reduction (lipolysis) in the abdomen and flanks for certain body types and relief of minor muscle aches and pains in jurisdictions around the world. In addition, our technology pipeline is heavily focused on improving and enhancing our current technologies, products, and services and the development of robotically assisted minimally invasive solutions for aesthetic procedures that are primarily treated by surgical intervention, including the AI.ME platform for which we received FDA 510(k) clearance for fractional skin resurfacing in December 2022.

In the United States, we have obtained 510(k) clearance from the FDA for our Venus Viva, Venus Viva MD, Venus Legacy, Venus Versa, Venus Versa Pro, Venus Velocity, Venus Bliss, Venus Bliss Max, Venus Epileve, Venus Fiore, ARTAS, ARTAS iX and AI.ME systems. Outside the United States, we market our technologies in over 60 countries across Europe, the Middle East, Africa, Asia-Pacific and Latin America. Because each country has its own regulatory scheme and clearance process, not every device is cleared or authorized for the same indications in each market in which a particular system is marketed.

As of the date of this prospectus, we operate directly in 11 international markets through our 9 direct offices in the United States, Canada, Mexico, Spain, Germany, Australia, China, Hong Kong, and Israel.

SELLING STOCKHOLDERS

This prospectus covers an aggregate of up to 899,870 shares of our Common Stock issuable upon exercise of the Warrants, which shares of Common Stock may be sold or otherwise disposed of by the selling stockholders.

The below table sets forth certain information with respect to each selling stockholder, including (a) the shares of our Common Stock beneficially owned by such selling stockholder prior to this offering, (b) the number of shares of our Common Stock being offered by such selling stockholder pursuant to this prospectus and (c) such selling stockholder’s beneficial ownership of our Common Stock after completion of this offering, assuming that all of the shares of Common Stock covered by this prospectus (but none of the other shares, if any, held by the selling stockholders) are sold to third parties in this offering.

The table is based on information supplied to us by the selling stockholders. Beneficial and percentage ownership is determined in accordance with the rules and regulations of the SEC, which is based on voting or investment power with respect to such shares, and this information does not necessarily indicate beneficial ownership for any other purpose. In accordance with SEC rules, in computing the number of shares beneficially owned by a selling stockholder, shares of Common Stock subject to derivative securities held by that selling stockholder that are currently exercisable or convertible, or that will be exercisable or convertible within 60 days after June 16, 2025, are deemed outstanding for purposes of such selling stockholder, but not for any other selling stockholder. The selling stockholders may sell all, some or none of their shares of Common Stock covered by this prospectus. We do not know the number of such shares, if any, that will be offered for sale or otherwise disposed of by any of the selling stockholders. Furthermore, since the date on which we filed this prospectus, the selling stockholders may have sold, transferred or disposed of shares of Common Stock covered by this prospectus in transactions exempt from the registration requirements of the Securities Act. Description of Offering

On June 6, 2025, we entered into a securities purchase agreement (the “**Securities Purchase Agreement**”) with certain institutional investors (each, an “**Investor**”), pursuant to which we agreed to issue and sell to the Investors (i) in a registered direct offering, an aggregate of 434,720 shares of our Common Stock (the “**Shares**”) at a price of \$2.65 per share and (ii) in a concurrent private placement, Warrants to acquire up to an aggregate of 869,440 shares of Common Stock (the “**Investor Warrants**”), at an initial exercise price of \$2.65 per share (collectively, the “**Offering**”).

On June 9, 2025, we closed the Offering, raising gross proceeds of approximately \$1.15 million before deducting placement agent fees and other offering expenses payable by us. We intend to use the net proceeds from the Offering for working capital and general corporate purposes.

The Shares were offered at-the-market under Nasdaq rules and pursuant to our shelf registration statement on Form S-3 (File No. 333-282811), initially filed with the SEC on October 24, 2024 and declared effective on November 1, 2024.

The Investor Warrants (and the shares of Common Stock issuable upon the exercise of the Investor Warrants) were not registered under the Securities Act, and were offered pursuant to an exemption from the registration requirements of the Securities Act provided under Section 4(a)(2) of the Securities Act. The Investor Warrants are exercisable upon issuance and will expire on the eighteen month anniversary of the effective date of this Registration Statement, and in certain circumstances may be exercised on a cashless basis. If we fail for any reason to deliver shares of Common Stock upon the valid exercise of the Investor Warrants within the prescribed period set forth in the Investor Warrants, we are required to pay the applicable holder liquidated damages in cash as set forth in the Investor Warrants. The Investor Warrants also include customary buy-in rights in the event we fail to deliver shares of Common Stock upon exercise thereof within the prescribed period as set forth in the Investor Warrants.

A holder is not be entitled to exercise any portion of an Investor Warrant, if, after giving effect to such exercise, the aggregate number of shares of Common Stock beneficially owned by the holder (together with its affiliates and any other persons whose beneficial ownership of Common Stock would or could be aggregated with the holder’s ownership for purposes of Section 13(d) or Section 16 of the Exchange Act) would exceed 4.99% (or at the election of the holder, 9.99%) of the Common Stock outstanding after giving effect to the exercise. Such 4.99% limitation may be increased at the holder’s election upon 61 days’ notice to the Company, provided that such percentage may not exceed 9.99%.

H.C. Wainwright & Co., LLC (“**HCW**”) acted as our placement agent in connection with Offering. We paid HCW consideration consisting of (i) a cash fee equal to 7.0% of the aggregate gross proceeds in the Offering, (ii) a management fee equal to 1.0% of the aggregate gross proceeds in the Offering, (iii) reimbursement of certain expenses and (iv) Warrants to acquire up to an aggregate of 30,430 shares of Common Stock (the “**Placement Agent Warrants**”). The Placement Agent Warrants are similar to the Investor Warrants, except that the initial exercise price of the Placement Agent Warrants is \$3.3125 per share.

The foregoing descriptions of the Securities Purchase Agreement, Investor Warrants and Placement Agent Warrants do not purport to be complete and are qualified in their entirety by reference to the full texts of the form of Securities Purchase Agreement, form of Investor Warrant and form Placement Agent Warrant, copies of which are filed as exhibits to the registration statement on Form S-1, of which this prospectus forms a part.

The selling stockholders will act independently of the Company in making decisions with respect to the timing, manner and size of each sale. These transactions include:

TABLE OF CONTENTS

The selling stockholders may also resell all or a portion of the shares of Common Stock covered by this prospectus in open market transactions in reliance upon Rule 144 under the Securities Act, as permitted by that rule, Section 4(a)(1) under the Securities Act, if available, or any other exemption from the registration requirements that become available, rather than under this prospectus.

If underwriters are used in the sale of any shares of Common Stock covered by this prospectus, such shares of Common Stock will be acquired by the underwriters for their own account and may be resold from time to time in one or more transactions described above. Shares of Common Stock covered by this prospectus may be either offered to the public through underwriting syndicates represented by managing underwriters or directly by underwriters. We may use underwriters with whom we have a material relationship. As applicable, we will describe in each accompanying prospectus supplement the name of the underwriter(s) and the nature of any such relationship(s).

The shares of Common Stock covered by this prospectus may be sold directly or through agents designated from time to time. We will name any agent involved in the offering and sale of such shares and we will describe any commissions paid to the agent in the prospectus supplement. Unless the prospectus supplement states otherwise, the agent will act on a best-efforts basis for the period of its appointment.

Agents may be entitled to indemnification by us against certain civil liabilities, including liabilities under the Securities Act, or to contribution with respect to payments made by the agents, under agreements between us and the agents.

Agents may receive compensation in the form of discounts, concessions or commissions from us or our purchasers, as their agents in connection with the sale of securities. These agents may be considered to be underwriters under the Securities Act. As a result, discounts, commissions or profits on resale received by the agents may be treated as underwriting discounts and commissions. Each accompanying prospectus supplement will identify any such agent and describe any compensation received by them from us.

In connection with sales of shares of Common Stock covered by this prospectus, the selling stockholders may enter into hedging transactions with broker-dealers or other financial institutions, which may in turn engage in short sales of such shares of Common Stock in the course of hedging in positions they assume. The selling stockholders may also sell the shares of Common Stock covered by this prospectus short and the selling stockholders may deliver shares of Common Stock to close out short positions and to return borrowed shares of Common Stock in connection with such short sales. The selling stockholders may also loan or pledge shares of Common Stock covered by this prospectus to broker-dealers that in turn may sell such shares of Common Stock, to the extent permitted by applicable law. The selling stockholders may also enter into option or other transactions with broker-dealers or other financial institutions or the creation of one or more derivative securities which require the delivery to such broker-dealer or other financial institution of shares of Common Stock covered by this prospectus, which shares of Common Stock such broker-dealer or other financial institution may resell pursuant to this prospectus (as supplemented or amended to reflect such transaction).

The selling stockholders may, from time to time, pledge or grant a security interest in some or all of the shares of Common Stock covered by this prospectus owned by them and, if they default in the performance of their secured obligations, the pledgees or secured parties may offer and sell such shares of Common Stock from time to time pursuant to this prospectus or any amendment to this prospectus under Rule 424(b)(3) or other applicable provision of the Securities Act, amending, if necessary, the list of selling stockholders to include the pledgee, transferee or other successors in interest as selling stockholders under this prospectus. The selling stockholders may also transfer and donate shares of Common Stock covered by this prospectus in other circumstances in which case the transferees, donees, pledgees or other successors in interest will be the selling beneficial owners for purposes of this prospectus.

A selling stockholder that is an entity may elect to make an in-kind distribution of shares of Common Stock covered by this prospectus to its members, general or limited partners or stockholders pursuant to the registration statement on Form S-1, of which this prospectus forms a part, by delivering a prospectus. To the extent that such members, general or limited partners or stockholders are not affiliates of ours, such members, partners or stockholders would thereby receive freely tradable shares of Common Stock pursuant to the distribution through a registration statement. Additionally, to the extent that entities, members, partners or stockholders are affiliates of ours received shares in any such distribution, such affiliates will also be selling stockholders and will be entitled to sell such shares pursuant to this prospectus.

TABLE OF CONTENTS

Agents who may become involved in the sale of shares of Common Stock covered by this prospectus may engage in transactions with, and perform other services for, us in the ordinary course of their business for which they receive compensation.

In effecting sales, the selling stockholders may engage broker-dealers or agents, who may in turn arrange for other broker-dealers to participate. Broker-dealers or agents may receive commissions, discounts or concessions from the selling stockholders and/or from the purchasers of shares of Common Stock covered by this prospectus for whom the broker-dealers may act as agents or to whom they sell as principal, or both. The compensation to a particular broker-dealer may be in excess of customary commissions. To our knowledge, there is currently no plan, arrangement or understanding between any selling stockholders and any broker-dealer or agent regarding the sale of any shares of Common Stock by the selling stockholders.

The selling stockholders, any broker-dealers or agents and any participating broker-dealers that act in connection with the sale of the shares of Common Stock covered by this prospectus may be “underwriters” under the Securities Act with respect to those shares of Common Stock and will be subject to the prospectus delivery requirements of the Securities Act. Any profit that the selling stockholders realize, and any compensation that any broker-dealer or agent may receive in connection with any sale, including any profit realized on resale of such shares of Common Stock acquired as principal, may constitute underwriting discounts and commissions. If the selling stockholders are deemed to be underwriters, the selling stockholders may be subject to certain liabilities under statutes including, but not limited to, Section 11, 12 and 17 of the Securities Act and Section 10(b) and Rule 10b-5 under the Exchange Act.

The securities laws of some states may require the selling stockholders to sell the shares of Common Stock covered by this prospectus in those states only through registered or licensed brokers or dealers. These laws may also require that we register or qualify such shares of Common Stock for sale in those states unless an exemption from registration and qualification is available and the selling stockholders and we comply with that exemption. In addition, the anti-manipulation rules of Regulation M under the Exchange Act may apply to sales of shares of Common Stock in the market and to the activities of the selling stockholders and their affiliates. Regulation M may restrict the ability of any person engaged in the distribution of shares of Common Stock to engage in market-making activities with respect to such shares of Common Stock. All of the foregoing may affect the marketability of the shares of Common Stock covered by this prospectus and the ability of any person to engage in market-making activities with respect to such shares.

If any selling stockholder notifies us that he has entered into any material arrangement with a broker-dealer for the sale of shares of Common Stock covered by this prospectus through a block trade, special offering, exchange distribution, over-the-counter distribution or secondary distribution, or a purchase by a broker or dealer, we will file any necessary supplement to this prospectus to disclose:

- the number of shares of Common Stock involved in the arrangement;
- the terms of the arrangement, including the names of any underwriters, dealers or agents who purchase such shares of Common Stock, as required;
- the proposed selling price to the public;
- any discount, commission or other underwriting compensation;
- the place and time of delivery for the shares of Common Stock being sold;
- any discount, commission or concession allowed, reallocated or paid to any dealers; and
- any other material terms of the distribution of the shares of Common Stock.

In addition, if the selling stockholder notifies us that a donee, pledgee, transferee or other successor-in-interest of the selling stockholder intends to sell any shares of Common Stock covered by this prospectus, we will file an amendment to the registration statement on Form S-1, of which this prospectus forms a part, or a supplement to this prospectus, if required.

Item 14. Indemnification of Directors and Officers.

Subsection (a) of Section 145 of the Delaware General Corporation Law, empowers a corporation to indemnify any person who was or is a party or who is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation) by reason of the fact that the person is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by the person in connection with such action, suit or proceeding if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe the person's conduct was unlawful.

Subsection (b) of Section 145 empowers a corporation to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the corporation to procure a judgment in its favor by reason of the fact that the person acted in any of the capacities set forth above, against expenses (including attorneys' fees) actually and reasonably incurred by the person in connection with the defense or settlement of such action or suit if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the corporation, except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to the corporation unless and only to the extent that the Court of Chancery or the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the Court of Chancery or such other court shall deem proper.

Section 145 further provides that to the extent a director or officer of a corporation has been successful on the merits or otherwise in the defense of any action, suit or proceeding referred to in subsections (a) and (b) of Section 145, or in defense of any claim, issue or matter therein, such person shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by such person in connection therewith; that indemnification provided for by Section 145 shall not be deemed exclusive of any other rights to which the indemnified party may be entitled; and the indemnification provided for by Section 145 shall, unless otherwise provided when authorized or ratified, continue as to a person who has ceased to be a director, officer, employee or agent and shall inure to the benefit of such person's heirs, executors and administrators. Section 145 also empowers the corporation to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against any liability asserted against such person and incurred by such person in any such capacity, or arising out of his status as such, whether or not the corporation would have the power to indemnify such person against such liabilities under Section 145.

Section 102(b)(7) of the Delaware General Corporation Law provides that a corporation's certificate of incorporation may contain a provision eliminating or limiting the personal liability of a director to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, provided that such provision shall not eliminate or limit the liability of a director (a) for any breach of the director's duty of loyalty to the corporation or its stockholders, (b) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (c) under Section 174 of the Delaware General Corporation Law, or (d) for any transaction from which the director derived an improper personal benefit.

TABLE OF CONTENTS

Our amended and restated certificate of incorporation and our second amended and restated bylaws provide for the indemnification provisions described above and elsewhere herein. We have entered into separate indemnification agreements with our directors and officers which may be broader than the specific indemnification provisions contained in the Delaware General Corporation Law. These indemnification agreements generally require us, among other things, to indemnify our officers and directors against liabilities that may arise by reason of their status or service as directors or officers, other than liabilities arising from willful misconduct. These indemnification agreements also generally require us to advance any expenses incurred by the directors or officers as a result of any proceeding against them as to which they could be indemnified. In addition, we have purchased a policy of directors' and officers' liability insurance that insures our directors and officers against the cost of defense, settlement or payment of a judgment in some circumstances. These indemnification provisions and the indemnification agreements may be sufficiently broad to permit indemnification of our officers and directors for liabilities, including reimbursement of expenses incurred, arising under the Securities Act.

Any underwriting agreement or distribution agreement that the registrant enters into with any underwriters or agents involved in the offering or sale of any securities registered hereby may require such underwriters or dealers to indemnify the registrant, some or all of its directors and officers and its controlling persons, if any, for specified liabilities, which may include liabilities under the Securities Act.

Item 15. Recent Sales of Unregistered Securities.

Item 17. Undertakings

The undersigned registrant hereby undertakes:

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:
 - (i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;
 - (ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in the volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the “Calculation of Registration Fee” table in the effective registration statement; and
 - (iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (a)(1)(i), (a)(1)(ii), and (a)(1)(iii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the SEC by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is a part of the registration statement.

- (2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
- (4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:
 - (i) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and
 - (ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.
- (5) That, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant’s annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan’s annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall

be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the undersigned registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

SIGNATURES

Pursuant to the requirements of the Securities Act of 1933, as amended, the Registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-1 and has duly caused this registration statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of Toronto, Province of Ontario, Canada on June 20, 2025.

Re: Registration Statement on Form S-1

Ladies and Gentlemen:

We have acted as counsel to Venus Concept Inc., a Delaware corporation (the “**Company**”), in connection with a Registration Statement on Form S-1 (the “**Registration Statement**”) filed by the Company with the United States Securities and Exchange Commission (the “**Commission**”) under the United States Securities Act of 1933, as amended (the “**Securities Act**”). The Registration Statement relates to the offer and sale by certain selling stockholders of up to 899,870 shares of common stock, \$0.0001 par value per share, of the Company (the “**Common Shares**”) issuable upon the exercise of warrants of the Company (the “**Warrants**”) issued to the selling stockholders in connection with a registered direct offering that closed on June 9, 2025.

We have examined such documents and reviewed such questions of law as we have considered necessary and appropriate for the purposes of our opinions set forth below. In rendering our opinions, we have assumed the authenticity of all documents submitted to us as originals, the genuineness of all signatures and the conformity to authentic originals of all documents submitted to us as copies. We have also assumed the legal capacity for all purposes relevant hereto of all natural persons and, with respect to all parties to agreements or instruments relevant hereto other than the Company, that such parties had the requisite power and authority (corporate or otherwise) to execute, deliver and perform such agreements or instruments, that such agreements or instruments have been duly authorized by all requisite action (corporate or otherwise), executed and delivered by such parties and that such agreements or instruments are the valid, binding and enforceable obligations of such parties. As to questions of fact material to our opinions, we have relied upon certificates of officers of the Company and of public officials. We have assumed that the Common Shares will be sold as described in the Registration Statement.

Based on the foregoing, we are of the opinion that the Common Shares, upon the exercise of the Warrants in accordance with the terms and conditions set forth in the Warrants, will be validly issued, fully paid and non-assessable.

Our opinions expressed above are limited to Delaware General Corporation Law and the federal laws of the United States of America.

We hereby consent to the filing of this opinion as an exhibit to the Registration Statement, and to the reference to our firm under the heading “Legal Matters” in the prospectus constituting part of the Registration Statement. In giving this consent, we do not admit that we are within the category of persons whose consent is required under Section 7 of the Securities Act or the rules and regulations of the Commission thereunder.

Very truly yours,

/s/ Dorsey & Whitney LLP
