**PROXY STATEMENT FOR THE 2020 ANNUAL MEETING OF STOCKHOLDERS  
JUNE 16, 2020**

**INFORMATION ABOUT THE PROXY PROCESS AND VOTING**

We have sent you this Proxy Statement and the enclosed Proxy Card because the board of directors of Venus Concept Inc. (referred to herein as the “Company,” “Venus Concept,” “we,” “us” or “our”) is soliciting your proxy to vote at our 2020 Annual Meeting of Stockholders (the “Annual Meeting”) to be held on Tuesday, June 16, 2020, at 10:00 a.m. Eastern Daylight Time. The Annual Meeting can be accessed by visiting [www.virtualshareholdermeeting.com/VERO2020](http://www.virtualshareholdermeeting.com/VERO2020), where you will be able to listen to the meeting live, submit questions and vote online.

- This Proxy Statement summarizes information about the proposals to be considered at the Annual Meeting and other information you may find useful in determining how to vote.
- The Proxy Card is the means by which you actually authorize another person to vote your shares in accordance with your instructions.

In addition to solicitations by mail, our directors, officers and regular employees, without additional remuneration, may solicit proxies by telephone, e-mail and personal interviews. We may retain outside consultants to solicit proxies on our behalf as well. All costs of solicitation of proxies will be borne by us. Brokers, custodians and fiduciaries will be requested to forward proxy soliciting material to the owners of stock held in their names, and we will reimburse them for their reasonable out-of-pocket expenses incurred in connection with the distribution of proxy materials.

Pursuant to the rules adopted by the Securities and Exchange Commission (the “SEC”), we have elected to provide access to our Annual Meeting materials, which include this Proxy Statement and our Annual Report on Form 10-K for the year ended December 31, 2019 (the “Form 10-K”), over the internet in lieu of mailing printed copies. We will begin mailing the Notice of Internet Availability to our stockholders of record as of April 20, 2020 (the “Record Date”) for the first time on or about April 29, 2020. The Notice of Internet Availability will contain instructions on how to access and review the Annual Meeting materials, and will also contain instructions on how to request a printed copy of the Annual Meeting materials. In addition, we have provided brokers, dealers, banks, voting trustees and their nominees, at our expense, with additional copies of our proxy materials and the Form 10-K so that our record holders can supply these materials to the beneficial owners of shares of our common stock as of the Record Date. The Form 10-K is also available in the “About Us –Investor Relations” section of our website at <http://ir.venusconcept.com>.

The only outstanding voting securities of Venus Concept Inc. are shares of common stock, \$0.0001 par value per share (the “common stock”), of which there were 32,194,285 shares outstanding as of the Record Date (excluding any treasury shares). The holders of a majority in voting power of the shares of common stock issued and outstanding and entitled to vote, present in person or represented by proxy, are required to hold the Annual Meeting.

**Why am I receiving these materials?**

We have made this Proxy Statement and Proxy Card available to you on the internet or, upon your request, have delivered printed proxy materials to you, because the board of directors is soliciting your proxy to vote at the Annual Meeting, including any adjournments or postponements thereof. You are invited to attend the Annual Meeting online; however, you are not required to attend the Annual Meeting in order to vote your shares. Instead, you may simply complete, sign and return the Proxy Card, or follow the instructions below to submit your proxy over the telephone or on the internet.

This Proxy Statement, the Notice of Internet Availability, the Notice of Annual Meeting and accompanying Proxy Card were first made available for access by our stockholders on or about April 29, 2020 to all stockholders of record entitled to vote at the Annual Meeting.

**Who can vote at the Annual Meeting?**

Only stockholders of record at the close of business on the Record Date will be entitled to vote at the Annual Meeting. At the close of business on the Record Date, there were 32,194,285 shares of common stock issued and outstanding and entitled to vote.

***Stockholder of Record: Shares Registered in Your Name***

If, on the Record Date, your shares were registered directly in your name with the transfer agent for our common stock, Computershare Inc., then you are a stockholder of record. As a stockholder of record, you may vote at the Annual Meeting or vote by proxy. Whether or not you plan to attend the Annual Meeting online, we urge you to fill out and return the Proxy Card or vote by proxy over the telephone or on the internet as instructed below to ensure your vote is counted.

***Beneficial Owner: Shares Registered in the Name of a Broker, Bank or Other Agent***

If, on the Record Date, your shares were held in an account at a brokerage firm, bank, dealer or other similar organization, then you are the beneficial owner of shares held in “street name” and these proxy materials are being forwarded to you by that organization. The organization holding your account is considered the stockholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct your broker or other agent on how to vote the shares in your account. You are also invited to attend the Annual Meeting. However, since you are not the stockholder of record, you may not vote your shares in person at the Annual Meeting unless you request and obtain a valid Proxy Card from your broker or other agent.

**What am I being asked to vote on?**

You are being asked to vote on three proposals:

- Proposal 1—the election of three Class III directors to hold office until our 2023 annual meeting of stockholders;
- Proposal 2—the approval of issuance of 6,600,000 shares of common stock of the Company upon the conversion of the 660,000 shares of Series A Convertible Preferred Stock; and
- Proposal 3—the ratification of the selection, by the audit committee of our board of directors, of MNP LLP, as our independent registered public accounting firm for the fiscal year ending December 31, 2020.

In addition, you are entitled to vote on any other matters that are properly brought before the Annual Meeting.

**How do I attend the Virtual Annual Meeting?**

This year’s Annual Meeting will be held entirely online to allow greater participation and improved communication and provide cost savings for our stockholders and the Company. Stockholders of record as of April 20, 2020 will be able to attend and participate in the Annual Meeting online by accessing [www.virtualshareholdermeeting.com/VERO2020](http://www.virtualshareholdermeeting.com/VERO2020). To join the Annual Meeting, you will need to have your 16-digit control number which is included on your Notice of Internet Availability of Proxy Materials and your Proxy Card.

**How do I vote?**

- For Proposal 1, you may either vote “For” all the nominees to the board of directors or you may “Withhold” your vote for any nominee you specify.
- For Proposal 2, you may either vote “For” or “Against” or abstain from voting.
- For Proposal 3, you may either vote “For” or “Against” or abstain from voting.

Please note that by casting your vote by proxy you are authorizing the individuals listed on the Proxy Card to vote your shares in accordance with your instructions and in their discretion with respect to any other matter that properly comes before the Annual Meeting or any adjournments or postponements thereof.

The procedures for voting are as follows:

***Stockholder of Record: Shares Registered in Your Name***

If you are a stockholder of record, you may vote at the Annual Meeting. Alternatively, you may vote by proxy by using the accompanying Proxy Card, over the internet or by telephone. Whether or not you plan to attend the Annual Meeting, we encourage you to vote by proxy to ensure your vote is counted. Even if you have submitted a proxy before the Annual Meeting, you may still attend the Annual Meeting and vote in person. In such case, your previously submitted proxy will be disregarded.

- To vote at the Annual Meeting, attend the Annual Meeting online and follow the instructions posted at [www.virtualshareholdermeeting.com/VERO2020](http://www.virtualshareholdermeeting.com/VERO2020).
- To vote using the Proxy Card, simply complete, sign and date the accompanying Proxy Card and return it promptly in the envelope provided. If you return your signed Proxy Card before the Annual Meeting, we will vote your shares in accordance with the Proxy Card.
- To vote by proxy over the internet, follow the instructions provided on the Notice of Internet Availability.
- To vote by telephone, you may vote by proxy by calling the toll free number found on the Notice of Internet Availability.

***Beneficial Owner: Shares Registered in the Name of Broker, Bank or Other Agent***

If you are a beneficial owner of shares registered in the name of your broker, bank or other agent, you should have received a voting instruction card and voting instructions with these proxy materials from that organization rather than from us. Simply complete and mail the voting instruction card to ensure that your vote is counted. To vote in person at the Annual Meeting, you must obtain a valid proxy from your broker, bank or other agent. Follow the instructions from your broker, bank or other agent included with these proxy materials, or contact your broker, bank or other agent to request a proxy form.

We provide internet proxy voting to allow you to vote your shares online, with procedures designed to ensure the authenticity and correctness of your proxy vote instructions. However, please be aware that you must bear any costs associated with your internet access, such as usage charges from internet access providers and telephone companies.

**Who counts the votes?**

Broadridge Financial Solutions, Inc. (“Broadridge”) has been engaged as our independent agent to tabulate stockholder votes (the “Inspector of Election”). If you are a stockholder of record, your executed Proxy Card is returned directly to Broadridge for tabulation. As noted above, if you hold your shares through a broker, your broker returns one Proxy Card to Broadridge on behalf of all its clients.

**How are votes counted?**

Votes will be counted by the Inspector of Election appointed for the Annual Meeting. The Inspector of election will separately count “For” and, with respect to Proposals 2 and 3, “Against” votes, abstentions and broker non-votes. With respect to Proposal 1—the election of directors, the Inspector of Election will count the number of “Withheld” votes received for each of the nominees. If your shares are held by your broker as your nominee (that is, in “street name”), you will need to obtain a proxy form from the institution that holds your shares and follow the instructions included on that form regarding how to instruct your broker to vote your shares. If you do not give instructions to your broker, your broker can vote your shares with respect to “routine” items, but not with respect to “non-routine” items. See below for more information regarding: “What are “broker non-votes?”” and “Which ballot measures are considered “routine” or “non-routine?””

**What are “broker non-votes”?**

Broker non-votes occur when a beneficial owner of shares held in “street name” does not give instructions to the broker or nominee holding the shares as to how to vote on matters deemed “non-routine.” Generally, if shares are held in street name, the beneficial owner of the shares is entitled to give voting instructions to the broker or nominee holding the shares. If the beneficial owner does not provide voting instructions, the broker or nominee can

## TABLE OF CONTENTS

vote the shares with respect to matters that are considered to be “routine,” but not with respect to “non-routine” matters. In the event that a broker, bank, custodian, nominee or other record holder of common stock indicates on a proxy that it does not have discretionary authority to vote certain shares on a particular proposal, then those shares will be treated as broker non-votes with respect to that proposal. Accordingly, if you own shares through a nominee, such as a broker or bank, please be sure to instruct your nominee how to vote to ensure that your vote is counted on each of the proposals.

### **Which ballot measures are considered “routine” or “non-routine?”**

The election of directors (Proposal 1) and the approval of the issuance of shares of common stock (Proposal 2) are considered non-routine under applicable rules. A broker or other nominee cannot vote without instructions on non-routine matters, and therefore there may be broker non-votes on Proposal 1 and Proposal 2. The ratification of the appointment of MNP LLP as our independent registered public accounting firm (Proposal 3) is considered routine under applicable rules. A broker or other nominee may generally vote on routine matters without instructions.

### **How many votes are needed to approve the proposal?**

With respect to Proposal 1, directors are elected by a plurality of the votes of the holders of shares present in person or represented by proxy and entitled to vote on the election of directors and therefore, the three nominees receiving the highest number of “For” votes will be elected. With respect to the election of directors, you may vote “For” or “Withhold” authority to vote for each of the nominees for the Board. If you “Withhold” authority to vote with respect to one or more director nominees, your vote will have no effect on the election of such nominees. Broker non-votes will have no effect on the election of the director nominees.

With respect to Proposal 2, the affirmative vote of the majority of votes cast (meaning the number of shares voted “For” the proposal must exceed the number of shares voted “Against” the proposal). Abstentions and broker non-votes are not considered votes cast for the foregoing purpose, and will have no effect on the outcome of this proposal.

With respect to Proposal 3, the affirmative vote of the majority of votes cast (meaning the number of shares voted “For” the proposal must exceed the number of shares voted “Against” the proposal). Abstentions are not considered votes cast for the foregoing purpose, and will have no effect on the vote for this proposal. This is a routine proposal and therefore we do not expect any broker non-votes.

### **How many votes do I have?**

On each matter to be voted upon, you have one vote for each share of common stock you own as of the Record Date.

### **What if I return a Proxy Card but do not make specific choices?**

If we receive a signed and dated Proxy Card and the Proxy Card does not specify how your shares are to be voted, your shares will be voted “For” the election of each of the three nominees for director, “For” the issuance of shares of common stock upon conversion of the Series A Preferred Stock and “For” the ratification of the appointment of MNP LLP as our independent registered public accounting firm. If any other matter is properly presented at the Annual Meeting, your proxy (one of the individuals named on your Proxy Card) will vote your shares in his or her discretion.

### **Who is paying for this proxy solicitation?**

We will pay for the entire cost of soliciting proxies. In addition to these mailed proxy materials, our directors, officers and employees may also solicit proxies in person, by telephone or by other means of communication. Directors, officers and employees will not be paid any additional compensation for soliciting proxies. We may also reimburse brokerage firms, banks and other agents for the cost of forwarding proxy materials to beneficial owners.

### **What does it mean if I receive more than one set of materials?**

If you receive more than one set of materials, your shares are registered in more than one name or are registered in different accounts. In order to vote all the shares you own, you must either sign and return all of the Proxy Cards or follow the instructions for any alternative voting procedure on each of the Proxy Cards.

**Can I change my vote after submitting my proxy?**

Yes. You can revoke your proxy at any time before the final vote at the Annual Meeting. If you are the record holder of your shares, you may revoke your proxy in any one of three ways:

- You may submit another properly completed proxy with a later date.
- You may send a written notice that you are revoking your proxy to our General Counsel and Corporate Secretary at 235 Yorkland Blvd., Suite 900, Toronto, Ontario M2J 4Y8.
- You may attend the Annual Meeting online and vote by following the instructions at [www.proxyvote.com](http://www.proxyvote.com). Simply attending the Annual Meeting will not, by itself, revoke your proxy.

If your shares are held by your broker, bank or other agent, you should follow the instructions provided by them.

**When are stockholder proposals due for next year’s Annual Meeting?**

To be considered for inclusion in next year’s proxy materials, your proposal must be submitted in writing by February 16, 2021, to our General Counsel and Corporate Secretary at 235 Yorkland Blvd., Suite 900, Toronto, Ontario M2J 4Y8; provided that if the date of the annual meeting is more than 30 days from June 16, 2021, the deadline is a reasonable time before we begin to print and send our proxy materials for next year’s annual meeting. Pursuant to the bylaws, in order for a stockholder to present a proposal for next year’s annual meeting, other than proposals to be included in the proxy statement as described above, or to nominate a director, you must do so between February 16, 2021 and March 16, 2021; provided that if the date of that annual meeting is more than 30 days before or more than 60 days after June 16, 2021, you must give notice not later than the 90<sup>th</sup> day prior to the annual meeting date or, if later, the 10<sup>th</sup> day following the day on which public disclosure of the annual meeting date is first made. You are also advised to review our bylaws, which contain additional requirements about advance notice of stockholder proposals and director nominations. A copy of the full text of the provisions of the Venus Concept dealing with stockholder nominations and proposals will be made available to stockholders from Venus Concept’s Secretary upon written request.

**What is the quorum requirement?**

A quorum of stockholders is necessary to hold a valid meeting. A quorum will be present if the holders of a majority in voting power of the shares of common stock issued and outstanding and entitled to vote are present in person, or by remote communication, or represented by proxy at the Annual Meeting. On the Record Date, there were 32,194,285 shares outstanding and entitled to vote. Accordingly, 16,097,143 shares must be represented by stockholders present at the Annual Meeting or by proxy to have a quorum.

Your shares will be counted toward the quorum only if you submit a valid proxy or vote at the Annual Meeting. Abstentions and broker non-votes will be counted toward the quorum requirement. If there is no quorum, either the chairperson of the Annual Meeting or a majority in voting power of the stockholders entitled to vote at the Annual Meeting, present in person, by remote communication or represented by proxy, may adjourn the Annual Meeting to another time or place.

**How can I find out the results of the voting at the Annual Meeting?**

Voting results will be announced by the filing of a Current Report on Form 8-K within four business days after the Annual Meeting. If final voting results are unavailable at that time, we will file an amended Current Report on Form 8-K within four business days of the day the final results are available.

**Implications of being an “emerging growth company.”**

We are an “emerging growth company” as that term is used in the Jumpstart Our Business Startups Act of 2012 and, as such, have elected to comply with certain reduced public company reporting requirements. These reduced reporting requirements include reduced disclosure about our executive compensation arrangements and no non-binding advisory votes on executive compensation. We will remain an emerging growth company until the earlier of: (1) December 31, 2022, (2) the last day of the fiscal year in which we have total annual gross revenue of at least \$1.07 billion, (3) the last day of the fiscal year in which we are deemed to be a “large accelerated filer” as defined in Rule 12b-2 under the Securities Exchange Act of 1934, as amended, which would occur if the market value of our common stock held by non-affiliates exceeded \$700.0 million as of the last business day of the second fiscal quarter of such year, or (4) the date on which we have issued more than \$1.0 billion in non-convertible debt securities during the prior three-year period.

**Why do you discuss both Restoration Robotics, Inc. and Venus Concept Ltd. in this Proxy Statement?**

On November 7, 2019, Restoration Robotics, Inc. (“Restoration Robotics”), completed a business combination (the “Merger”), with the privately held Israeli company, Venus Concept Ltd., in accordance with the terms of the Agreement and Plan of Merger and Reorganization, dated as of March 15, 2019, as amended (the “Merger Agreement”), by and among Venus Concept Ltd., Restoration Robotics and Radiant Merger Sub Ltd., a company organized under the laws of Israel and a direct, wholly-owned subsidiary of Restoration Robotics (“Merger Sub”). Pursuant to the Merger Agreement, Merger Sub merged with and into Venus Concept Ltd., with Venus Concept Ltd. surviving as a wholly-owned subsidiary of Restoration Robotics. Following the completion of the Merger, we changed our name from “Restoration Robotics, Inc.” to “Venus Concept Inc.” and the business conducted by Venus Concept Ltd. became the primary business conducted by us. Our common stock ceased trading on The Nasdaq Global Market under ticker symbol “HAIR” and commenced trading on The Nasdaq Global Market under ticker symbol “VERO”.

Immediately following the Merger, we effected a 1-for-15 reverse stock split of our outstanding common stock. At the effective time of the Merger, each outstanding ordinary and preferred share of Venus Concept Ltd., nominal value of New Israeli Shekels 0.001 each, other than shares held by Venus Concept Ltd. as treasury stock or held by Restoration Robotics or the Merger Sub, were converted into the right to receive 8.6506 (the “Exchange Ratio”), validly issued, fully paid and non-assessable shares of our common stock, and each outstanding stock option and warrant was assumed by us and converted into and become an option or warrant (as applicable) exercisable for our common stock with the number and exercise price adjusted by the Exchange Ratio.

The executive officers of Restoration Robotics and each member of the board of directors of Restoration Robotics, other than Frederic Moll, M.D., resigned concurrent with the closing of the Merger. In addition, in December 2019, we dismissed the independent registered public accounting firm of Restoration Robotics, Grant Thornton LLP, and engaged MNP LLP, as the independent registered public accounting firm of the combined company. Deloitte LLP, Venus Concept Ltd.’s auditors, are no longer continuing as independent auditors of Venus Concept Ltd. and resigned effective December 9, 2019. Throughout this Proxy Statement, we discuss both the former executive officers and members of the board of directors of Restoration Robotics and the current executive officers and members of the Board of Venus Concept Inc., the combined company.

All references to “Venus Concept,” the “Company”, “we,” “us” or “our” in this Proxy Statement mean Venus Concept Inc., the combined company.

**PROPOSAL NO. 1  
ELECTION OF DIRECTORS**

Our board of directors is divided into three classes. Each class consists, as nearly as possible, of one-third of the total number of directors, and each class has a staggered, three-year term. Unless the board of directors determines that vacancies (including vacancies created by increases in the number of directors) shall be filled by the stockholders, and except as otherwise provided by law, vacancies on the board of directors may be filled only by the affirmative vote of a majority of the remaining directors. A director elected by the board of directors to fill a vacancy (including a vacancy created by an increase in the number of directors) shall serve for the remainder of the full term of the class of directors in which the vacancy occurred and until such director's successor is elected and qualified.

In accordance with the Merger Agreement, on the closing date, immediately prior to the effective time of the Merger, each of Jeffrey Bird, M.D., Ph.D., Gil Kliman, M.D., Craig Taylor, Ryan Rhodes, Keith J. Sullivan and Shelley Thunen resigned from our board of directors and any respective committees of our board of directors on which they served. Such resignations were not the result of any disagreements with us relating to our operations, policies or practices. Dr. Moll did not resign and was elected by the stockholders of Restoration Robotics to serve for another term as a Class II director at the Restoration Robotics Annual Meeting held on October 4, 2019. Prior to their resignation, the prior members of the board of Restoration Robotics appointed, effective as of the effective time of the Merger, (i) Domenic Serafino, Juliet Tammenoms Bakker and Keith Sullivan, as our Class I directors whose current terms will expire at the annual meeting of stockholders to be held in 2021, (ii) Louise Lacchin and Anthony Natale, M.D., as our Class II whose current terms will expire at the annual meeting of stockholders to be held in 2022; and (iii) Scott Barry, Fritz LaPorte and Garheng Kong, M.D., whose current terms will expire at the Annual Meeting.

Effective February 14, 2020, Dr. Moll and Ms. Bakker resigned from our board of directors. Such resignations were not the result of any disagreements with us relating to our operations, policies or practices. The size of the board of directors was subsequently reduced by the board of directors from nine members to seven members.

As of the Annual Meeting, the board of directors consists of seven seated directors, divided into the three following classes:

- *Class I directors:* Domenic Serafino and Keith Sullivan, whose current terms will expire at the annual meeting of stockholders to be held in 2021;
- *Class II directors:* Louise Lacchin and Anthony Natale, M.D., whose current terms will expire at the annual meeting of stockholders to be held in 2022; and
- *Class III directors:* Scott Barry, Fritz LaPorte and Garheng Kong, M.D., whose current terms will expire at the Annual Meeting.

At each annual meeting of stockholders, the successors to directors whose terms will then expire will be elected to serve from the time of election and qualification until the third subsequent annual meeting of stockholders.

Mr. Barry, Mr. LaPorte and Dr. Kong, have been nominated to serve as Class III directors and have each elected to stand for re-election. Each director to be elected will hold office from the date of their election by the stockholders until the third subsequent annual meeting of stockholders or until his successor is elected and has been qualified, or until such director's earlier death, resignation or removal.

In accordance with our Bylaws, directors are elected by a plurality of the votes of the holders of shares present in person or represented by proxy and entitled to vote on the election of directors. Accordingly, the three nominees receiving the highest number of affirmative votes will be elected as Class III directors. Shares represented by executed proxies will be voted, if authority to do so is not withheld, for the election of the nominees named below. Proxies cannot be voted for a greater number of persons than the three nominees named in this Proxy Statement. If any nominee becomes unavailable for election as a result of an unexpected occurrence, shares that would have been voted for that nominee will instead be voted for the election of a substitute nominee that we will propose. Each person nominated for election has agreed to serve if elected. Our management has no reason to believe that any nominee will be unable to serve.

**PROPOSAL NO. 2**  
**APPROVAL OF ISSUANCE OF SHARES OF COMMON STOCK**

At the Annual Meeting, Venus Concept stockholders will be asked to approve the issuance of shares of common stock upon the conversion of our Series A Convertible Preferred Stock as described below.

Pursuant to Nasdaq Listing Rule 5635(d), a company listed on Nasdaq is required to obtain stockholder approval prior to the issuance of common stock in connection with certain non-public offerings involving the sale, issuance or potential issuance by a listed company of common stock (and/or securities convertible into or exercisable for common stock) equal to 20% or more of the common stock outstanding before the issuance at a price below the “Minimum Price” as defined in the Nasdaq Listing Rules.

**Background**

*Private Placement*

As disclosed in our Current Report on Form 8-K filed with the SEC on March 18, 2020, on March 18, 2020, we entered into a securities purchase agreement (the “Securities Purchase Agreement”) with certain investors named therein (collectively, the “Investors”) pursuant to which the Company issued and sold to the Investors in a private placement pursuant to Rule 4(a)(2) under the Securities Act of 1933, as amended (the “Securities Act”), an aggregate of 2,300,000 shares of our common stock, par value \$0.0001 per share (the “Common Stock”), and 660,000 shares of our Series A Convertible Preferred Stock, par value \$0.0001 per share (the “Series A Preferred Stock”), which is convertible into 6,600,000 shares of Common Stock (the “Conversion Shares”), and warrants (the “Warrants”) to purchase up to 6,675,000 shares of Common Stock with an exercise price of \$3.50 per share (the “Private Placement”). Each unit consisting of one share of Common Stock and .75 Warrants was priced at \$2.50 per unit and each unit consisting of one-tenth of one share of Series A Preferred Stock and .75 Warrants per each share of Common Stock issued upon conversion of the Series A Preferred Stock was priced at \$2.50 per unit. The Warrants have a five-year term and are exercisable beginning 181 days after their issue date. The Series A Preferred Stock will automatically convert into shares of Common Stock upon receipt of stockholder approval. We intend to use the net proceeds from the private placement for general corporate purposes. The holders of the Series A Preferred Stock are EW Healthcare and HealthQuest Capital, existing stockholders of the Company.

Under the Securities Purchase Agreement, we are obligated to seek stockholder approval no later than July 29, 2020 of the issuance of the Conversion Shares and we are including Proposal 2 in the Proxy Statement to fulfill this obligation.

*Certificate of Designation*

On March 18, 2020, we filed a Certificate of Designation of Preferences, Rights and Limitations of Series A Convertible Preferred Stock (the “Certificate of Designation”), with the Secretary of State of the State of Delaware, which designated up to 660,000 shares of Series A Preferred Stock.

Each one-tenth of one share of Series A Preferred Stock is automatically convertible into one share of Common Stock following receipt of stockholder approval of this Proposal No. 2. The initial conversion ratio is one share of Series A Preferred Stock for every ten shares of Common Stock. The initial conversion ratio is subject to standard adjustments for certain transactions affecting our securities (such as stock dividends, stock splits, and the like).

Shares of Series A Preferred Stock generally have no voting rights. However, for so long as any shares of Series A Preferred Stock are outstanding, the affirmative vote of the holders of a majority of the then outstanding shares of the Series A Preferred Stock is required to: (a) alter or change adversely the powers, preferences or rights given to the Series A Preferred Stock or alter or amend the Certificate of Designation, (b) amend the Company’s amended and restated certificate of incorporation or other charter documents in any manner that adversely affects any rights of the holders of Series A Preferred Stock, (c) increase the number of authorized shares of Series A Preferred Stock, or (d) enter into any agreement with respect to any of the foregoing. Shares of Common Stock issued upon the conversion of shares of Series A Preferred Stock will be entitled to the same voting rights as the shares of Common Stock.

Upon any liquidation, dissolution or winding-up of our company, whether voluntary or involuntary that is not a Fundamental Transaction (as defined in the Certificate of Designation), the holders of Series A Preferred Stock are entitled to receive out of our assets the same amount they would have received on an as converted basis, disregarding any conversion limitations. Such amounts are paid on a *pari passu* basis with all holders of our Common Stock.

**Reason for the Private Placement**

We undertook the Private Placement in order to improve our liquidity position in the 2020 fiscal year. The board of directors determined that the Private Placement was in the best interests of the Company and our stockholders because the financing provided funding for our continuing operations and potential future growth. The Private Placement resulted in aggregate gross proceeds to the Company of approximately \$22.25 million, of which approximately \$16.5 million were generated from the sale of the Series A Preferred Stock, before deducting placement agent fees and other offering expenses. The warrants issued in connection with the Series A Preferred Stock, if exercised for cash, would be a potential source of an additional \$17.33 million of cash.

While the private placement is potentially significantly dilutive, if we had not been able to complete the private placement or another similar transaction in the near term, we may not have had the funds necessary to continue as a going concern and to continue to execute on our business strategy.

**Nasdaq Listing Rules**

Because our Common Stock is traded on the Nasdaq Global Market, we are subject to the Nasdaq Listing Rules, including Rule 5635(d). Pursuant to Listing Rule 5635(d), stockholder approval is required prior to the issuance of securities in connection with a transaction (or a series of related transactions) other than a public offering involving the sale, issuance or potential issuance of Common Stock (or securities convertible into or exercisable for Common Stock) equal to 20% or more of the Common Stock or 20% or more of the voting power outstanding before the issuance for less than the Minimum Price. “Minimum Price” means a price that is the lower of: (i) the Nasdaq official closing price immediately preceding the signing of the binding agreement; or (ii) the average Nasdaq official closing price of the Common Stock for the five trading days immediately preceding the signing of the binding agreement.

**Effect of Issuance of Securities**

The potential issuance of an aggregate of 6,660,000 shares of our Common Stock underlying the shares of Series A Preferred that are the subject of this Proposal 2 would result in an increase in the number of shares of Common Stock outstanding, and our stockholders will incur dilution of their percentage ownership to the extent that the shares of Series A Preferred Stock are converted as set forth in the Certificate of Designation.

**Consequences if Stockholder Approval is Not Obtained**

If we do not obtain approval of this Proposal 2 at the Annual Meeting, pursuant to the Securities Purchase Agreement, then the outstanding shares of Series A Preferred Stock will not be automatically converted into shares of Common Stock and upon the written request of holders of Series A Preferred Stock representing at least a majority of the amount of the outstanding Series A Preferred Stock, we are required to use our best efforts to call another meeting of stockholders within six months of the first meeting of stockholders that included this proposal.

**THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE “ FOR ” THIS PROPOSAL 2 TO APPROVE THE ISSUANCE OF COMMON STOCK UPON CONVERSION OF THE SERIES A PREFERRED STOCK.**

## CORPORATE GOVERNANCE

### Code of Business Conduct and Ethics

We have adopted a code of business conduct and ethics that applies to all of our employees, officers and directors, including those officers responsible for financial reporting. The code of business conduct and ethics is available on our website at <http://ir.venusconcept.com>. Any amendments to the code, or any waivers of its requirements, will be disclosed on our website.

### Corporate Governance Guidelines

We believe in sound corporate governance practices and have adopted formal corporate governance guidelines to enhance our effectiveness. Our board of directors adopted these corporate governance guidelines in order to ensure that it has the necessary practices in place to review and evaluate our business operations as needed and to make decisions that are independent of our management. The corporate governance guidelines are also intended to align the interests of directors and management with those of our stockholders. The corporate governance guidelines set forth the practices our board of directors follows with respect to board of directors and committee composition and selection, board of directors meetings, Chief Executive Officer performance evaluation and succession planning. A copy of our corporate governance guidelines is available on our website at <http://ir.venusconcept.com>.

### Independence of the Board of Directors

As required under the Nasdaq Global Market (“Nasdaq”) rules and regulations, a majority of the members of a listed company’s board of directors must qualify as “independent,” as affirmatively determined by such board. The board of directors consults with the Company’s counsel to ensure that the board of directors’ determinations are consistent with all relevant securities and other laws and regulations regarding the definition of “independent,” including those set forth in pertinent Nasdaq listing standards, as in effect from time to time.

Consistent with these considerations, our board of directors has determined that all of our directors, other than Domenic Serafino and Keith Sullivan, qualify as “independent” directors in accordance with the Nasdaq listing requirements. Mr. Serafino is not considered independent because he is an employee of the Company and Mr. Sullivan is not considered independent because he was an executive officer of Restoration Robotics prior to the Merger. The Nasdaq independence definition includes a series of objective tests, such as that the director is not, and has not been for at least three years, one of our employees and that neither the director nor any of his or her family members has engaged in various types of business dealings with us. In addition, as required by Nasdaq rules, our board of directors has made a subjective determination as to each independent director that no relationships exist, which, in the opinion of our board of directors, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. In making these determinations, our board of directors considered information provided by the directors and us with regard to each director’s business and personal activities and relationships as they may relate to us and our management. There are no family relationships among any of our directors or executive officers.

As required under Nasdaq rules and regulations, our independent directors meet in regularly scheduled executive sessions at which only independent directors are present. All of the committees of our board of directors are comprised entirely of directors determined by the board of directors to be independent within the meaning of Nasdaq and SEC rules and regulations applicable to the members of such committees.

### Leadership Structure of the Board

Our bylaws and corporate governance guidelines provide our board of directors with flexibility to combine or separate the positions of Chairman of the board of directors and Chief Executive Officer and to implement a lead director in accordance with its determination that utilizing one or the other structure would be in the best interests of our company. Mr. Barry currently serves as the Chairman of our board of directors. In that role, Mr. Barry presides over the executive sessions of the board of directors and serves as a liaison between management and the board of directors.

Our board of directors has concluded that our current leadership structure is appropriate at this time. However, our board of directors will continue to periodically review our leadership structure and may make such changes in the future as it deems appropriate.

## **Role of Board in Risk Oversight Process**

Risk assessment and oversight are an integral part of our governance and management processes. Our board of directors encourages management to promote a culture that incorporates risk management into our corporate strategy and day-to-day business operations. Management discusses strategic and operational risks at regular management meetings, and conducts specific strategic planning and review sessions during the year that include a focused discussion and analysis of the risks facing us. Throughout the year, senior management reviews these risks with the board of directors at regular board meetings as part of management presentations that focus on particular business functions, operations or strategies and presents the steps taken by management to mitigate or eliminate such risks.

Our board of directors does not have a standing risk management committee, but rather administers this oversight function directly through our board of directors as a whole, as well as through various standing committees of our board of directors that address risks inherent in their respective areas of oversight. In particular, our board of directors is responsible for monitoring and assessing strategic risk exposure and our audit committee is responsible for overseeing our major financial risk exposures and the steps our management has taken to monitor and control these exposures. The audit committee also monitors compliance with legal and regulatory requirements and pursuant to our Related Person Transaction Policy and Procedures, the audit committee is responsible for approving or disapproving relate person transactions. Our nominating and governance committee monitors the effectiveness of our corporate governance guidelines. Our compensation committee assesses and monitors whether any of our compensation policies and programs has the potential to encourage excessive risk-taking.

#### *Terms and Conditions of 2019 Annual Bonuses and Retention Awards – Messrs. Serafino and Della Penna*

With respect to the annual bonus opportunity for Messrs. Serafino and Della Penna, achievement against the predetermined performance objectives, determined by the Company's board of directors, directly impacts the annual bonus payout and links the compensation of these NEO with the overall performance of Company. These objectives are set forth on the management scorecard established by the Board. For 2019, the management scorecard applicable to Messrs. Serafino and Della Penna included business growth and profitability, expansion of product offering and regulatory and clinical indication approvals. For 2019, Mr. Serafino was eligible for a bonus equal to 75% of his base salary and Mr. Della Penna was eligible for a bonus equal to 50% of his base salary, in all cases if all targets were met. These bonus percentage amounts were informed by the guidance provided to Venus Concept Ltd. by a third-party executive compensation specialist which had previously been engaged to advise on the compensation paid to Venus Concept Ltd.'s executive officers for 2016.

Annually, the Company's board of directors review and approve each executive's proposed annual cash bonus payout to ensure alignment with the initial objectives set forth for the year in question. Based on Company's board of directors' assessment of the performance of each of the Messrs. Serafino and Della Penna, in relation to the performance objectives, no annual bonuses were awarded for 2019.

In connection with the Merger, Venus Concept Ltd. granted certain cash-based retention awards to Messrs. Serafino and Della Penna. #### *Terms and Conditions of 2019 Annual Bonuses – Messrs. Rhodes, Hair and Anderson*

Each of Messrs. Rhodes', Hair's and Anderson's target bonus opportunity is expressed as a percentage of base salary which can be achieved by meeting corporate goals at target level. Each of these NEOs' target bonus opportunity was originally set in their employment agreements with the Company. The 2019 annual bonus opportunity for Messrs. Rhodes and Hair was 30% of their respective base salaries and for Mr. Anderson was 50% of his base salary.

For 2019, all of these NEOs were eligible to earn their annual bonuses pursuant to the achievement of certain performance objectives. The performance goals for these annual bonuses are reviewed and approved annually by our board of directors. When determining the 2019 performance bonus program for these NEOs, the board of directors set certain performance goals, using a mixture of several objectives relating to the ongoing progress of the ARTAS System's commercialization, operational and financial matters. Since Messrs. Rhodes and Anderson separated from service with the Company before year-end, no review against their performance goals for 2019 was necessary. Mr. Hair's objectives were not met. No bonus funding was approved for any of Messrs. Rhodes, Hair and Anderson for 2019.

**SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE  
DELINQUENT SECTION 16(A) REPORTS**

Section 16(a) of the Exchange Act requires the Company's directors and executive officers, and persons who own more than 10% of a registered class of the Company's equity securities, to file with the SEC initial reports of ownership and reports of changes in ownership of common stock and other equity securities of the Company. Officers, directors and greater than 10% stockholders are required by SEC regulations to furnish the Company with copies of all Section 16(a) forms they file.

To the Company's knowledge, based solely on a review of the copies of such reports furnished to the Company and written representations that no other reports were required, except as described below, the Company believes that all Section 16(a) filing requirements applicable to our officers, directors and greater than 10% beneficial owners were complied with during the year ended December 31, 2019.

Due to an administrative error, a Form 4 was not timely filed to report Mr. Sullivan's acquisition of 33,333 shares of the Company's Common Stock upon the closing of the Merger. These shares were granted to Mr. Sullivan as 500,000 restricted stock units received for his services as the Chief Commercial Officer of the Company, which became fully vested on closing of the Merger. The 500,000 restricted stock units were adjusted to 33,333 shares of common stock, pursuant to the Company's 1-for-15 reverse stock split. This acquisition was reported on a Form 4 filed for Mr. Sullivan on December 5, 2019.

**ADDITIONAL INFORMATION**

**Householding of Proxy Materials**

The SEC has adopted rules that permit companies and intermediaries ( *e.g.* , brokers) to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process, which is commonly referred to as "householding," potentially means extra convenience for stockholders and cost savings for companies.

Brokers with account holders who are Venus Concept stockholders may be "householding" our proxy materials. A single proxy statement may be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker that it will be "householding" communications to your address, "householding" will continue until you are notified otherwise or until you notify your broker or the Company that you no longer wish to participate in "householding."

If, at any time, you no longer wish to participate in "householding" and would prefer to receive a separate proxy statement and annual report, you may (1) notify your broker or (2) direct your written request to: General Counsel and Corporate Secretary, 235 Yorkland Blvd. Suite 900, Toronto, Ontario M2J 4Y8. Stockholders who currently receive multiple copies of this Proxy Statement at their address and would like to request "householding" of their communications should contact their broker or the Company, as applicable. In addition, we will promptly deliver, upon written or oral request to Broadridge Financial Solutions, Inc. by calling 1-866-540-7095 or in writing at 51 Mercedes Way, Edgewood, New York 11717, Attention: Householding Department, a separate copy of the Form 10-K, Proxy Statement, Proxy Card or Notice of Internet Availability of Proxy Materials to a stockholder at a shared address to which a single copy of the documents was delivered.

**Incorporation by Reference**

Notwithstanding anything to the contrary set forth in any of our previous filings under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, which might incorporate future filings made by us under those statutes, the Audit Committee Report will not be incorporated by reference into any of those prior filings, nor will any such report be incorporated by reference into any future filings made by us under those statutes. In addition, information on our website, other than our proxy statement, notice and form of proxy, is not part of the proxy soliciting material and is not incorporated herein by reference.

**Other Matters**

As of the date of this Proxy Statement, the board of directors does not intend to present any matters other than those described herein at the Annual Meeting and is unaware of any matters to be presented by other parties.

**TABLE OF CONTENTS**

If other matters are properly brought before the Annual Meeting for action by the stockholders, proxies will be voted in accordance with the recommendation of the board of directors or, in the absence of such a recommendation, in the discretion of the proxy holder.
